

REGION 2 - COMMUNICATIONS AWARD

Regional Communication Award – this award is given by the Society Director and Regional Chair [DRC] for the chapter which communicates the most with the DRC. It is a discretionary award with the evaluation based on several factors: CRC participation, chapter newsletters addressed to and received by DRC, MBO sent in to DRC, reporting regularly on the progress of the MBOs, a chapter budget sent to DRC, and ensuring all chapter minutes are forwarded to and received by DRC.

The award is the property of the region, and the winner at the previous CRC is required to bring it to the current one for presentation. It is a replica of a satellite with a communications dish on top, mounted on a wooden base supporting two maple leaves, and a brass plate identifying the winners.
