

REGION 2 EDUCATION AND STUDENT ACTIVITIES AWARDS

The selection of the **Best Student Activities Committee** in a chapter [Region 2] is not based solely on the Presidential Award of Excellence points [PAOE] that have been accumulated during the year. In addition, the Student Activities Regional Vice-Chair [RVC] also looks at improvement over prior years, the quality of the activities organized for students, the dynamism of the SA committee and the overall impact on students in the chapter are all factors considered in this award.

At the CRC in 1999, a second award was added to student activities in Region 2 to recognize the **Best Student Branch** of the year. Each chapter in the region submits their choice of the best branch within their chapter territory to the RVC. The RVC then looks at each submission for the branch's participation in the ASHRAE program, plus the quality of the activities organized within the branch and finally the impact on the students.
