

REGION 2 BEST CHAPTER PROGRAMS CHAIR AWARD

BEST CHAPTER PROGRAMS CHAIR AWARD [original name]***

*** Note! In 2012 it became part of a SOCIETY CHAPTER PROGRAMS STAR AWARD with regional winners.

* This award was initiated in 1998 to encourage better chapter programs. The RVC Chapter Program for Region 2 selected the winner based on a number of factors – increased attendance; variety of programs; programs focused on the Society Presidential theme and so on.

At the Society's Annual General Meeting in June 2004, the two grass roots committees – Chapter Program and TEGA were combined into a new CTTC committee – the Chapter Technology Transfer Committee (CTTC). As a result, starting in 2005, the best chapter program chair received the CTTC Allen Henley Best Chapter Chair Award and the former best chapter programs chair award ended.
