Motion Type: Regional

Moved By: Ottawa Valley Chapter - Adam Moons

Seconded By: NB/PEI Chapter - Ryan Gosson

Motion:

Moved that Region to modify the CRC hosting roster list by one year. This would mean that the Quebec City Chapter would host in summer 2021 and Ottawa to host a year later in 2022, etc

Background Information:

With consideration regarding the Covid 19 pandemic, and with strong regard to the safety of our members and public health issues, the in person CRC cannot be conducted this August 2020. A virtual CRC to be held in lieu.

Fiscal Impact: unknown (but should be minimal)

While the entirety of the financial implications are at present unknown, it would behove us to move through with this motion to protect further financial implications.
