

REGION 2 MOTION

ASHRAE Region# 2 **** presented to Delegates by email

Date: June 24/2020

Motion No:

Motion Type: Regional

Moved By: NB/PEI Chapter - Ryan Gosson

Seconded By: Ottawa Chapter - Aaron Dobson

Motion:

Moved that Region 2 reduce the Regional Fund Dues by 50% and eliminate the Chapter Assessment for all Chapters in Region 2 for the 2019/2020 fiscal year.

Background Information:

With the ongoing Covid-19 pandemic that the world has been dealing with since early March, no Regional travel has taken place since then, and none is likely to take place for the foreseeable future. In addition, with the CRC 2020, originally scheduled to be in Quebec City, now going virtual, minimal travel will be required for this event, and overall costs to the Region will be significantly reduced. With the primary use of these funds being used as CRC seed money, these funds should not be required. Most Chapters are hurting financially, and this will help all Chapters get through this.

Fiscal Impact: \$5.50/Chapter Member for the Regional Dues Fund; \$6.00/Chapter Member for the Chapter Assessment.

The current balance of the Region 2 accounts will be able to sustain all of the costs that are anticipated for the 2020/2021 fiscal year based on the current situation that our world faces.
